Bob and Jim,

Attached is EPA's direction regarding preparation and submittal of the draft Portland Harbor FS, and some initial feedback on the December 14 check-in meeting. As noted in the letter, we expect to provide additional comments on the four specific topics that were presented at the meeting by mid-January.

We are looking forward to moving ahead with the draft FS report. Please let us know if you have any questions regarding the direction provided with this letter.

thanks
Chip
